

# Healthcare...and Your Wealth & Income

A both informative and entertaining workshop that addresses the costs and concerns of healthcare costs... and provides a unique perspective on how to address them.

- A little-known program that covers long-term and in-home health care costs... without expensive annual premiums!
- A program to protect your wife from losing up to 1/2 your Social Security Income at your death (plus, you'll take home the one Social Security tool nobody has)
- What are the top 4 things Americans say they'd rather "have... and not need... than need, and not have?" We'll be giving out the #1 thing as prizes!
- How using the Serenity Prayer increases your chance of financial success (Are you using it right?)
- You'll have laughs... some good food... and bring some things home that you can put to good use immediately!

Workshops are 1 to 1 ½ hours. They are strictly educational, no products or services are sold. Presenters are trained in delivering an educational workshop in a non-profit environment. All presenters have a minimum of five-years' experience in the subject matter they present.
