

OUTSIDE THE BOX

This workshop combines the latest research on how to keep our minds young and is chockfull of fun optical illusions, puzzles, and hilarious videos. It combines the “keeping our minds young” theme with keeping our savings safe.

- We'll do 6 quick puzzles that will get you thinking and laughing.
- You'll take home some optical illusions that you can use to amaze your friends, kids & grandkids.
- See the trick to moving a John Deere tractor with one hand... no matter how weak or strong you are! And, the little trick FedEx plays on you every day!
- You'll see 3 short videos that have amazed thousands of people. You'll be laughing and talking about it for days.
- You'll learn 3 easy ways to make your brain “younger” almost instantly.
- Holy Moly! Virtually everyone is putting themselves, their spouses, and their kids in danger because they don't have this one piece of paper filled out correctly! Find out what the piece of paper is and how to fix it in just 5 minutes!
- The simple solution that makes you and your family a winner if you don't need long-term or in-home care... but more importantly, make you a winner if you do need long-term or in-home care! You can't miss this!

Workshops are 1 to 1 ½ hours. They are strictly educational, no products or services are sold. Presenters are trained in delivering an educational workshop in a non-profit environment. All presenters have a minimum of five-years' experience in the subject matter they present.
