Free Educational Workshop Series

Workshop: Keys to Unlocking Medicare Benefits

Heading into your retirement years brings a slew of new topics to grapple with, and one of the most maddening may be Medicare. Figuring out when to enroll, what to enroll in and what coverage will be best for you can be daunting.

This workshop helps participants understand the essential things they need to know about Medicare. Including:

1. Medicare Comes with a Cost
2. You Can Fill the Gap
3. There is an All-in-One Option
4. Higher Incomers Pay More
5. When to Sign Up
6. The Quartet of Enrollment Periods
7. The Costs in the Doughnut Hole are Shrinking
8. You Can Get More Preventive Services
9. What Medicare Does Not Cover
10. You Have the Right to Appeal
